

RSL VQ CPD Sessions - January 2024

We are pleased to announce the details for our CPD sessions that will take place in January 2024.

These sessions are all conducted remotely and will be facilitated through Zoom. All sessions listed are free to attend for any RSL approved delivery centre. You may attend multiple sessions as relevant to your centre but we would ask the following:

- Please limit attendees from any centre to 2 delegates per training session
- Only sign up for sessions you are certain you can attend.

All sessions will be recorded and made available to centres on demand through the help and support section of the website, so if you are unable to attend a session at the time indicated but still wish to access the content you will be able to watch the recording after the event.

You will find the links to book each event in the first column of the following table. Please select the name of the session you wish to book and it will take you to the relevant booking page.

Should the event you are trying to book be sold out, please email us with the date, time and name of the event you wish to attend and we will add you to the waiting list. Should a space become available, we will contact you.

We look forward to seeing you at a CPD session in the near future.

If you have any questions, please email vocational@rslawards.com for more information.
