

Checklist of Key Dates for Academic year 24/25 – (Grouped)

Qualifications *without* external assessment

Please note:

- *These key dates are for the versions of the qualification which are entirely internally assessed*
- *If you are delivering qualifications with at least one externally assessed unit, please refer to the 'Qualifications with external assessment' version of the key dates calendar as there are differences between the two.*

This version of the key dates has been grouped into areas to allow centres to see all activities for one area in one place e.g. all quality assurance and standards verification dates have been grouped together. If you would prefer a version with the dates in chronological order, this can be downloaded from our [website](#).

Any references to 'the RSL site' mean the cloud.rslawards.com site. This year we have created a VQ Quality Handbook which will contain all the 'How to Guides' so everything is in one place. The Quality Handbook is aimed at teachers/assessors/internal verifiers. There is a separate VQ Exams Officer Handbook which covers aspects such as registrations and is aimed at Exams Officers. These can be found [here](#).

The boxes are colour coded so you can see RSL activities and Centre activities. RSL is in green, the centre in yellow.
