To whom it may concern,

As Director of The Forge Initiative Limited, I work with a variety of professional actors, practitioners and performers within a range of creative projects. Our relationship with professional touring companies and new start-up theatre companies is extensive, supporting new work, classical and contemporary repertoire and community-based initiatives.

I am writing to confirm that the following qualifications are fit for purpose as stated in the qualification purpose statements:

601/7681/7 RSL Level 2 Diploma in Creative and Performing Arts

The Forge Initiative Limited values these qualifications as they will equip learners with specialist knowledge and skills enabling entry to employment.

These qualifications are relevant to our industry; learners gain the skills to progress straight into roles within theatre employment and take on acting work which is essential in the support of new theatre companies in particular.

Yours Faithfully,
