Electric Guitar 2024 Graded Certificates Debut-G5

Technical Exercise submission list

- All exercises should commence after a 4-click metronome count in.
- Please make sure this is audible on the video recording, either with clicks or sticks.
- For Debut-G5 playing along to metronome is optional.

Note: Candidate should play all listed scales, arpeggios and chords in the key centres and positions shown (if specified).

For chord exercises which are stipulated as being directed by the examiner, candidates must present all chords/voicings in all key centres. Candidates do not need to play these to click, but must be mindful of producing the chords clearly with minimal hesitancy between each.
